#### WOMEN'S FELLOWSHIP

The last fellowship of the session was held on  
28th June when a few members of the Godalming  
Baptist Church joined us for our annual garden  
meeting at Ellingsons, Mrs Ellingson being our kind  
hostess for the occasion. The meeting commenced  
with the playing of a record of sacred songs, with  
guitar accompaniment, sung by Alison and Jill  
Barff, twin daughters of the late Rev. Fred Barff,  
whom some will remember had visited Hambledon.  
The Rev. David Stephens of Alfold was our speaker  
and he gave a helpful talk on how we are able to  
accept God's guidance in our lives with illus-  
trations and references from the Bible. Mrs.  
Ellingson provided the tea and afterwards everyone  
enjoyed wandering round her lovely garden.

### HAMBLEDON WOMEN'S INSTITUTE

Hambledon W.I. members were guests of Mrs. Grillo at Rose Garden, Milford, for their June meeting, and after thanking their hostess for her hospitality, Mrs. Steele, president, dealt with the business of the meeting. One interesting item was a letter from the Institute's New Zealand link, Mrs Pepper of Kohukohu W.I. in which Mrs Pepper said she expected to come to Gt. Britain next year. On hearing this, members decided they must invite Mrs. Pepper to visit Hambledon, and talk about New Zealand, perhaps at a special party.

The speaker for the June garden meeting had been unable to come at the last minute, and an 'Any Questions' session was organised with Mr. Geoffrey Cooke, Hambledon's representative on the new Waverley District Council, Miss Mary Parker, whose knowledge of Hambledon past and present is unrivalled, and Mrs. Madeleine Cecil-Clarke, the new Clerk to Hambledon Parish Council. A variety of questions was fired at the team, from the location of the new Waverley offices, to the disappearance of nightingales, the development of Concorde in view of the world shortage of fuels.

Tea was served in the garden, where the hot sunny day showed the roses to advantage.

### THE VISITORS' BOOK

Since this was placed in Hambledon Church a few years ago, visitors from all parts of the world have signed their names and some have added interesting remarks.

In recent months the following addresses have been recorded: Ontario, Canada; Switzerland; Surrey B.C., Canada; Capetown, South Africa; Ringarooma, Tasmania; Vitry-le-Francois, France; St. Dizier, France; Falls Road, Belfast; Teheran; Iran.

Remarks have included:- "Beautifully kept", "So clean and well kept", "A thankful resting place for five lost Youth Hostellers".

Footnote. We regret that in recent weeks it has been found necessary to lock the Church more frequently. The Police have warned us of thefts from churches in the area.

EXTRACTS FROM LETTERS OF THANKS RECEIVED FROM  
SOME OF THE SOCIETIES SUPPORTED BY HAMBLEDON  
CHURCH.

South American Missionary Society:

"Since our last half-yearly situation report we have rejoiced in the way God met our financial needs last year. We ended 1972 with a record income of nearly £152,000. Now half way through 1973, and with a budget of £157,000, our income to date is slightly lower than the income at this time last year, and we ask you to share this need with us in your prayers."

Keswick Convention-Missionaries' Hospitality Fund

"It is such an encouragement to know that we have friends in your Church who support the Fund so generously year after year, and thus have a share in the pleasure which we have in being able to help our missionary visitors to come to Keswick, which for them is a time of great excitement and much happiness."

Ruanda Mission - C.M.S.

"It was a real encouragement to us to receive your recent gift towards the Mission's work ... Certainly in these days much is happening in that part of Africa in which our missionaries are working..... Praise God that often missionaries write to us testifying to the help of the Lord Himself in some difficult circumstances."
