### CHURCH FELLOWSHIP.

"Around and About" was the title of the programme for the November meeting of the Church Fellowship, and members were able to see a miscellany of colour transparencies and films of local events

and views. The local events included the Church Garden Party in 1966, the Confirmation in 1966, and even a queue waiting to enter a Women's Institute Sale and a customer being served with petrol at the Garage.

The transparencies were contributed by Mr. Adgie, Mr. C. A. Chapman, Miss Denny, Mrs. Peer and the Rector. The films were supplied by Mr. M. J. Atkins and Mr. Coleman. We were most grateful to all who helped to make the evening so enjoyable. In addition to local views there were photographs of places visited during the 1966 Church Fellowship Outing, and some views of places we hope to visit in 1967.

The next meeting will be held in the Village Hall on Thursday, December 8th., at 8.00 p.m. when there will be a most interesting programme of sound colour films with the following titles :- "Winds on the Heath", "Down to Sussex", and "Wild Wings". Members will remember the excellent films provided by Mr. Adgie on previous occasions and will make a special effort to see and hear this series of nature and travel films.

Please make a note of the following dates now :-

Thursday, January 12th.

"European Journey" - another illustrated lecture by David Symonds Esq.,
