THE ANNUAL GARDEN PARTY.

Saturday, May 28th, was the first of several days of really delightful weather which we enjoyed over the Whitsun holiday, and the Garden Party at the Rectory proved a very happy occasion. The attendance was most encouraging and it was good to see many who had been prevented from joining us in previous years when the Party was held in July.

A P.E., and Dancing Display given by the scholars of Hambledon School was enjoyed by everyone. We thank Mrs. Peer, our headteacher, and Mrs. Freemantle for their kindness in arranging the display, and we congratulate the children on their performance.

The games and competitions were well patronised, and we thank Mr. Sharpington and Mrs. Vacher and their helpers for all the time and effort put into providing these attractions. Mrs. Foster-Moore had provided two ponies for the children's rides, and we were indeed grateful to her and to Miss Sally Edwards and Sharon,

a young friend from Placewood Farm for bringing the ponies.

Teas were served (without charge) and we record our sincere thanks to Mrs. Goad and her many helpers for all their hard work "behind the scenes". We are also very grateful to all who sent gifts towards the teas, and to those who gave and served the ices and soft drinks.

Reference was made to the time Miss Denny had spent in preparing the Rectory garden for May 28th., and we thank her very much for all she does.

Grateful thanks to Mr. E. Freemantle for kindly transporting chairs, tables and crockery from the Village Hall. The loan of these necessities is much appreciated.

CHURCH of ENGLAND CHILDREN'S SOCIETY.

"The very real help given us over the years by Churchgoers throughout the Country is a source of great encouragement to us in our work, and enables us to assist on behalf of the Church, nearly 5,000 children every year."

- Extract from a letter to the Church Treasurer.

BILLY GRAHAM GREATER LONDON CRUSADE.

"Crusade Start Most Encouraging. Blessing compounded upon blessing. This aptly describes the opening days of the Crusade in Earls Court. Though the statistics are impressive (92,576 attendance and 3,453 enquirers during the first five meetings), many have remarked that the spiritual impact of the Crusade is something which goes well beyond anything that can be calculated on an adding machine." - Extract from "Crusade News Digest" issued early in June.

CHURCH FELLOWSHIP VISIT TO LITTLECOTE MANOR

Nearly seventy took part in a coach visit to Littlecote Manor, a lovely Cromwellian mansion in the Kennet Valley, on Saturday, 14th May.

All were thrilled to find that Mrs. Elton had found it possible to come, although our Rector was, to the regret of all, still in hospital. There were also unfortunately several absences owing to illness and accident.

The route was mainly along country roads and lanes, where acres of bluebells, numerous black lambs and fine Highland cattle with their tiny calves added to the later enjoyment of a clear view over the Vale of Pewsey. A break for coffee was made at Whitchurch and for lunch at Marlborough, where the journey was resumed to Littlecote. After a conducted tour of this fine house lasting over an hour, tea was provided, the gardens visited and a return made through Hungerford to the tiny hamlet of Up Nately.

Here, its Rector gave us, with his Churchwardens, a kindly welcome and held a short service in the little church, which was packed for the occasion. This ended with the spirited singing of "Glory to thee, my God, this night"

All were agreed upon return to Hambledon as the sun was setting that such an enjoyable day, assisted by lovely weather, should if possible become an annual feature in the Fellowship programme.

HAMBLEDON WOLF CUBS.

1966 is the fiftieth anniversary of the beginning of wolf cubs, and is therefore being celebrated by cubs all over the world.

One of the things that we have done in the Godalming district was an Easter good Turn, when we collected Newspapers and sold them. The boys were asked to write an essay, saying to which charity they wanted the money to go, with the reasons for their choice. And we feel proud that two Hambledon cubs were among the first four prize winners for the best essays.

ROBERT STRETCH received the second prize and

ANDREW MORRIS received the fourth prize.

There are nine cub packs in the Godalming district.

Our next good turn is to collect clean milk bottle tops, in order to sell them, and the money is to go to the guide Dogs for the Blind.
