CHURCH REGISTERS

BURIALS. September 9th. Victor William Jeffery, aged 61 years.

It was a great shock to the village to learn of the sudden passing of Mr. Victor Jeffery. As reported in the last magazine he had gone into hospital again, and we were hoping that the treatment there would enable him to return home very shortly and that he would soon be quite well again. Prior to going into hospital he had been in considerable pain which he had suffered courageously. Mr. Jeffery took an active interest in village and Church life and his death has been a great loss to us all. We would extend our most

sincere sympathy to his widow and family in their bereavement and pray that they may find comfort and strength through Him Who is the Resurrection and the Life.

OVERSEAS WEEK-END - September 18th and 19th.

A Diocesan Overseas Week-end was arranged this year to take the place of the usual Annual Overseas Festival in the Cathedral. Every parish in the diocese was asked to invite as their guest one overseas national, resident in Britain, and a reception was held at Farnham Castle on the Saturday afternoon where the guests and their hosts were welcomed by the Bishop of Guildford, the Diocesan staff and members of the Diocesan Overseas Council. Hambledon's guest was Mr. John Kamba of Africa, a student who has been taking a course in engineering. He has been living in Hastings for about two years and has now gone to Birmingham for further studies. Mr. and Mrs. Symonds, who recently returned from Kenya, and are now members of St. Peter's Church, Hambledon, very kindly gave Mr.

Kamba hospitality in their home, and brought him to the Sunday morning service where he was introduced to the members of the congregation.

BEST KEPT VILLAGE (SURREY) COMPETITION.

The following notes on Hambledon Village and Village Hall have been sent following the above competition:-

VILLAGE.

Hambledon is commended for having reached the final of the small villages section of the competition. The Committee consider that the population of the village, apart from the hospitals, is less than 1,500 and it has therefore classed Hambledon as a small village. The Churchyard was outstanding. The playing field and village hall exterior were very good. There were a number of faults which prevented the village from gaining a place in the first three. A litter bin was seen upside down on the Green, and there was a lot of litter everywhere. The pond was full of rubbish. Hedges, verges, Village green and 'bus shelter could have been better.

VILLAGE HALL

The hall is well used and generally tidy and well kept and only just missed going forward for further judging. On part of the side wall outside the gentlemen's lavatory the earth was above the damp proof course and should be removed. The soakaway outside the kitchen door was blocked, but the inspection was made after heavy rain. The handle was off the door of the Ladies' lavatory. The judges thought that four heavy mats, especially those between the cooker and the sink might be an accident hazard.
