MRS. E. BEERE is greatly missed from our services and meetings. We are, however, delighted that, thanks to the constant kindness and attention of Miss Mary Parker, she has regular visits from various friends in the parish, and is often taken for drives in and around the village.

THE REV. AND MRS. B.M. ALEXANDER. It is good to have Mr. and Mrs. Alexander worshipping with us again, having made a marvellous recovery following their recent car accident.

MRS. DEWAR (Glebe House) is, we are delighted to hear returning home this month and we look forward to seeing her again after her long tour abroad.

The fight against leprosy is as fierce as ever: we pray for our research workers, for new medicines and more knowledge to arm us for the fight. But above all for the human touch inspired by our Lord's love and compassion without which all medical help is incomplete".
