ORGANIST

The resignation of Miss Jennifer Hill was reported in last month's magazine. As a token of appreciation of her services during the past three years, and to assist her in her studies, the Parochial Church Council decided to present her with a gift on behalf of the congregation. Miss Hill writes: "Thank you very much indeed for the lovely surprise, and the generous gift from St. Peter's Church. Would you please convey to all those who have identified themselves with this wonderful present my most sincere appreciation and gratitude for their good wishes. With your cheque I intend to buy a new piano stool, as I am very much in need of one at present, to match my new grand piano. I feel that it will always remind me of three very happy years at Hambledon.... With my warmest thanks for everyone's help in the past ... believe me, I am very sorry to leave."

BRITISH AND FOREIGN BIBLE SOCIETY

Coffee Morning

The Annual Coffee Morning and Bring and Buy Sale will be held on THURSDAY, OCTOBER 3rd, in the GODALMING YOUTH CENTRE, from 10.30 a.m. to 12.0 noon. It is hoped that members of our congregation will make every effort to support this cause, realizing that the propagation of the

Scriptures is the responsibility of every Christian in an enlightened country.

Please note that the effort will be held at the Godalming Youth Centre this year.

THE CHURCH FELLOWSHIP

Meetings re-commence on the second Thursday in November (14th). They are held in the Village Hall at 8.0 p.m., and members of our Church and their friends are all warmly invited. An interesting programme has been arranged, and we hope that the meetings will once again be well supported. Some of the details are as follows:-

November 14th. Laurence E. Jones Esq., Lecturer to the Historic Churches Preservation Trust, will speak about some churches of historic interest. His lecture will be illustrated by colour transparencies.

December 12th. Dr. J. W. C. Synonds, M.R.C.S., L.R.C.P., will show colour transparencies taken during his recent stay in Africa. Dr. Synonds, who now lives in Hambledon, returned to Africa, after his retirement from General Practice in Woking, to take charge of one of the Ruanda Mission hospitals.

January 9th. Miss Ingrid Wenham will give a lecture - "Swiss Village Life through the Seasons" - illustrated. Many will remember her previous visit, and the excellent transparencies she brought on that occasion.

February 13th. Sound and colour films - "Train Ride to Devils Bridge"; "Captive River" (building of Kariba Dam); "Festiniog Summer". A programme arranged by I. J. Adgie Esq.

(Continued next page)

March 13th. Missions to Seamen film.
Details later.

THE GUILDFORD CATHEDRAL LECTURES

This year the lectures probe what may prove to be the greatest problem for the modern world: how to preserve enough liberty for the individual to make life worth living. We need to be persons, not restricted, standardised and regimented robots, however well-fed and cushioned against hardship. Over population necessitates restrictions on individual freedom. Technological developments are necessary for survival but they threaten human dignity. This is not a party political problem. It is deeper than that.

"The Person in Peril"

discussed by four renowned authors and
radio/T.V. personalities.

ON WEDNESDAYS AT 8.15 P.M.

- Oct. 9: "Diversity and Development" - can we
have both?
by Lord Francis-Williams, C.B.E.
- Oct. 16: "Dialogue on a Dilemma" - the right to
live.
by Rev. Joseph McCulloch and
Malcolm Muggeridge Esq.
- Oct. 23: "Duty and Deity" - in permissive society
to-day.
by Fr. Martin Jarrett-Kerr.

FOR YOUR NEXT YEAR'S DIARY

A Coach Tour of Sussex Churches, accompanied by Laurence Jones Esq., of The Historic Churches Preservation Trust, has been arranged for members of Hambledon Church and their friends, on Saturday, 17th May 1969. Mr. Jones will explain en-route particular historic and architectural features of some of the churches. Fuller details later.
