CHURCH FELLOWSHIP.

The Bishop of Fulham (Dr.Roderic Coote) was the speaker at the March meeting of the Fellowship. The Bishop gave a most interesting lecture about the Jurisdiction of North and Central Europe, and showed us some delightful colour transparencies which he had taken during his visits to some of his Chaplaincies, these included photographs taken in Russia, France, Switzerland, Austria, Belgium and many other European countries. At the conclusion of the meeting Mrs. L.P.Haviland expressed our thanks to Dr.Coote for his visit to the Fellowship.

ANNUAL PAROCHIAL CHURCH MEETING.

This magazine goes to press before the meeting is held and a report of the proceedings will be included in a later issue of the magazine.

We welcome into the full membership of our Church the following members of our congregation:- Clifford Billiald; Stanley Billiald; Raymond Blackburn; Robert Pink; Alice Blackman, Linda Hopwood, Judith King; Jeannette Kirby. Women's Fellowship.

At the February meeting of the Fellowship we were privileged to have as our speaker Mrs. Secrett of Milford, who has just returned from Leopoldville where she and her husband are Missionaries. She gave us an up-to-date picture of life in the Belgian Congo.

This month we very much look forward to hearing Mrs. Ellingson, a member of our congregation, tell us about her recent world tour. (Thursday, April 27th).

ACKNOWLEDGEMENT.

Miss Parker has received the following message from "The Guide Dogs for the Blind Association," to whom she forwarded a cheque for £11, collected by the Christmas carol party -

"We are indeed most grateful to all those, who by attending the carol party, made this wonderful contribution possible. We would like to take this opportunity of expressing and asking you to convey to your friends, our warmest thanks and appreciation.

Women's Institute Notes.

A party of Hambledon Womens Institute members recently visited the Tate gallery and attended two excellent lectures on Art Appreciation.

The speaker at this month's meeting was Miss Hogg, Matron of Brookwood hospital who told her listeners of the advancements being made in the treatment of mental illness.

Miss E. Burr was presented with an azalea plant in appreciation of her hours of work in making lace for the gift handkerchiefs recently sent to the New Zealand Link institute.

The competition of Spring Flower arrangement was won
