## NOTES AND NEWS.

### ANNUAL CHURCH GARDEN PARTY

The weather was ideal for the Garden Party held at the Rectory on Saturday, July 7th. A large gathering enjoyed a display by the children of the Day School, who charmed their audience with gay, colourful country and maypole dancing. The boys also performed a lively and skilful sword dance. Then followed a rush, by the performers, for ices and soft drinks which were served free to children.

Mrs. H. E. Hutchins took over the organisation of refreshments at short notice, and, with a band of helpers, served wonderful free teas to everyone.

Mr. and Mrs. Foster-Moore kindly lent two attractive donkeys who seemed pleased to give children (free) rides all the afternoon while their panting attendants trotted beside them. Mrs. Vacher who, together with Mr. P. Roderick, organised the very popular games and competitions, found a talented team to help them, including an imposing Chinese mandarin (who seemed to be running a laundry), and a fishing expert whose pond yielded many fine catches (One of the youngest guests, wearing her best party dress, was only just prevented from using the "pond" as a bathing pool!). A treasure hunt also provided the children with much joyful dashing hither and thither.

At the end of this really happy afternoon Mr. C. A. Chapman (Churchwarden) thanked the Rector and his wife for their never-failing hospitality, and Petrea Pearson presented Mrs. Elton with a bouquet.

- Contributed -

Our grateful thanks to all who helped to make the Garden Party such a happy occasion. Gifts towards the teas were made by many friends, and the ices were given. Mr. Freemantle kindly transported the tables etc., from the Village Hall. We were

grateful for the loan of tables from the Village Hall, and chairs etc., from the School.

We were sorry that sickness prevented Mrs. Goad from organising the teas, and were most grateful to Mrs. Hutchins and her helpers for taking over this task at short notice.

The Rectory Garden looked beautiful, and we wish to record our sincere thanks to Miss Denny for the many hours she spends in that labour of love. We dare not think what condition the garden would be in without her help!

ALEXANDRA ROSE DAY (C. of E. Children's Society)

The result of the Collection in the village was £11. 14. 3.  
Grateful thanks to all who helped in this effort.

"A SMALL WORLD"

In response to an appeal made to all churches of St. Peter in this country we sent a small donation to help in the building of a new St. Peter's Church at Nyeri, Kenya, where Archdeacon Cole is the Vicar. The small community at Nyeri, consisting of Africans and Europeans, has for some time been collecting money to build their church, but needed further help from England. The letter from the Treasurer, thanking us for our gift, revealed that St. Peter's, Hambledon, has a close link with St. Peter's Nyeri, for she writes - "I expect you know my cousin Capt. Brodie Hoare of Chart Cottage (at present in Gibraltar)". We have also heard that Dr. and Mrs. Hugh Sansom, who attend our church when they are on furlough here, frequently meet Archdeacon Cole in Africa, and are keenly interested in the work in Nyeri.

CONFIRMATION CLASSES commence on Monday, September 3rd., at 7.30 p.m. (at the Rectory)

Totals for May and June £37. 8. 5d.

THE WOMEN'S FELLOWSHIP went by coach to Eastbourne on June 7th. It was a lovely sunny day, and we had an altogether enjoyable outing. Many thanks to Mrs. Vacher for so kindly making all the arrangements. A Record Token was sent from this outing to Hambledon Homes, and a letter gratefully acknowledging this timely gift has been received from Mr. Cook (Superintendent)

SEWING MEETING. Mrs. Williams arranged the annual outing - we are most grateful to her. Although it was a rather cloudy day we all enjoyed the delightful drive along the coast from Folkestone. We admit that we did return home rather later than many husbands had expected!
