CHURCH FELLOWSHIP.

The January meeting was held on a bitterly cold night with deep snow, but in spite of the weather there were about thirty present for the showing of the South America Missionary Society's film: "Chaco Mission" - an excellent film about life in the Argentine and Paraguayan Chaco. We were most grateful to Mr. Denys E. Head for so kindly transporting the sound projector in his jeep - (the only sure means of transport in such wintry conditions). We also thank Mr. R. G. Williams for his kindness in arranging for us to have the use of the apparatus.

Mr. N. E. Jervis of Enton Hall has kindly promised to show colour transparencies taken during his visits to Spain at the February meeting of the Fellowship (February 14th). Members will remember how much they enjoyed a previous visit from Mr. Jervis and will look forward with pleasure to another of his lectures.

PERSONALIA

Our sympathy goes out to Mrs. Lee, of Enton Hatch, whose husband died in Milford Chest Hospital on the 9th January. We know that she will find her strength and support in the Saviour who Himself conquered death and opened to us the Gates of Everlasting Life.

Mrs. Thacker, mother of Mrs. D. E. Hampden Parker of Feathercombe Farm, died in hospital after a very short illness. We extend to Mr. Thacker and his family our sincere sympathies in their sorrow - may their Christian hope support them at this time.

Mrs. Gill, of The Haven cottages, who has been in St. Thomas' Hospital since just before Christmas, is now making good progress and we hope that she will be able to return home very shortly.

The following are extracts from letters of thanks from societies and charities supported by St. Peter's Church, Hambledon.

"When you have the right opportunity please pass on our very warm appreciation to the Church for their generous gift" (China Inland Mission.

"Thank you for the excellent grant you have sent to headquarters

recently" (Missions to Seamen).

"It is with grateful thanks that we acknowledge your donation in response to our Appeal. We do assure you that your contribution will be used immediately for this very extensive work" (Inter-Church Aid and Refugee Service).

"During the last year we undertook ten new spheres of work in places as far apart as the Arctic and India ... additional expenditure of at least £5,000 a year, so you will understand how very grateful we are to you all for sharing this ministry" (Commonwealth and Continental Church Society)
