SYMPATHIES.

MRS. RUTH COLE, who had been an invalid for about two years,  
passed away in St. Thomas's Hospital on May 30th. We assure  
Mr. Cole and their family of our deepest sympathies in  
their bereavement. Mrs. Cole will perhaps be remembered most  
by her friends for her exceptionally beautiful flower  
arrangements in our Church, and also for her lovely paint-  
ings.

MRS. LOUISE BUCHANAN (nee Parker), daughter of Mr. and Mrs.  
Eric Parker (Feathercombe), who died after a long illness,  
was buried in Hambledon Churchyard on June 3rd. We extend  
to her husband and to all her relatives our sincere sym-  
pathy in their sorrow.

MR. JOHN COOPER of "Vernons", Hambledon who died suddenly  
on May 22nd was buried in our churchyard on the 24th May.  
Our thoughts are with his widow and we assure her of our  
sympathies in her bereavement.

WOMEN'S FELLOWSHIP. The coach outing to Windsor on May 18th, proved most enjoyable. On arrival at the coach park the party was taken by river launch to the landing stage near Windsor Castle, and members were able to spend the afternoon visiting St. George's Chapel and the State Apartments, or enjoying a walk through the delightful grounds. Our thanks are due to Mrs. Vacher who so ably organised this outing.

GUILDFORD CATHEDRAL. The few fortunate members of our Church who had seats at the Consecration of the New Cathedral will long remember that historic occasion. The service was most impressive, and, as it was televised in full, many who were unable to be in the Cathedral were able to watch the service in their homes. Televiewers also had the advantage of being able to see what was taking place outside the building as well as inside.

Godalming and Cranleigh Deaneries were very privileged in holding the DEANERY SERVICE only two days after the Consecration, and the building was filled to capacity. We are grateful to Mrs. Haviland, our "Cathedral Builder", who arranged for a coach to take a party from Hambledon to the Deanery Service. Others travelled in their cars and over forty members of Hambledon Church were present at that service.

We apologise for a misprint in the June Magazine in the report concerning Sale for the New Cathedral Fund which was held in the Village Hall in April. The last sentence in that report should of course read - "We were sorry that the attendance at this meeting was smaller than had been expected (The insertion of the word "not" before "smaller" was, to say the least of it, most misleading!!).

The results of the Effort to date are as follows:-

Sale in Village Hall	£41. 0. 0.
Collection at Lecture (handed to Mr. Young)	4.14. 0.

	45.14. 0
--	----------

Donations for "Music Fund"	13. 0. 0
----------------------------	----------

Final Total:	£58.14. 0
--------------	-----------

In acknowledging the receipt of the gifts the Secretary of the Guildford New Cathedral Fund (Miss Iredale) wrote - "We are, indeed, extremely grateful for this donations!" And - our thanks to all who helped to achieve these excellent results.

Ladies' Home Mission Union (C.P.A.S.). The result of the Coffee Morning held at "Dennys" on May 31st was £35.0.0. We are most grateful to Miss E.F.Denny, our L.H.M.U. Secretary for so kindly arranging this effort at her home, and we thank all those ladies who gave so generously.

HOLIDAYS. Some of our members are away from home at present, and the result has been that our congregations have been decidedly smaller on some Sundays. We wish all who are going away during the summer a very happy and restful holiday.

We know that many of our friends find that joining in public worship where they are staying does greatly add to the joy of their holiday. One of the privileges that members of the Anglican Church enjoy is the provision of English services at various tourist centres on the Continent. If you are going abroad it is well worthwhile to enquire, at a local travel agents or an hotel where you are staying, about the provision of English Services.

Half-Yearly Box Opening. We are grateful to all box-holders who brought their Missionary Collecting boxes to Church. The amounts collected to date are as follows:-

Church Pastoral-Aid Society - £7.14.5.

Ruanda Mission (C.M.S.) £20.16. 8.

We warmly welcome to Hambledon the first of two refugee families to occupy the new houses in Wormley Lane (Knowle Cottages) which have been built by the County of Surrey's Refugee Committee. Mr. and Mrs. Pachnvik and their nine children are delighted to have a home of their own at last. For many years they have suffered hardship, and we hope that they will soon be very happily settled in Knowle Cottages and in Hambledon. It was most unfortunate that one of the children contracted infectious jaundice shortly after they arrived here, and that this prevented the family from joining in the official opening ceremony arranged by Sir John Wenham.

#### Refugee Family in Austria.

The Getto family were visited by Mrs. Julian Haviland in April. She reported great distress. Herr Getto after years of stomach trouble is now in hospital with T.B. His mother who lived with them and worked continually on the new house has died after a stroke. This means Frau Getto can no longer go out to work as she cannot leave the children of 4, 6 and 7, and the only money coming in is a little sickness benefit.

Most of the plastering of the house is done but there is no drainage, no doors, no windows. If some of these can be done they hope to move into two rooms this winter. Student labour will be available again this summer but some paid work will be necessary. The family are now eligible for an Austrian Government loan but it is almost certain they cannot afford to avail themselves of it. A great letter has been received in answer to messages of sympathy.

A parcel of good second hand clothing has been sent supplemented with new pullovers and shoes, the money for the latter having been given anonymously. In view of this distress it was decided that the remaining £45 from the effort of March 1960 should be divided and £25 has now been sent to the Gettos from the authorities, and the last £20 has been sent to the Surrey Refugee Committee for presents to be bought for the two families now arriving at the new houses in Hambledon.

The Gettos have no furniture or bedding to move to their new house and money towards this or materials to make up would be very acceptable.
