A MESSAGE FROM THE RECTOR

We wish all who will be taking their Annual holidays during the coming weeks a very happy and health-giving time. It is important that when we are away from home we should not neglect our religious practice. Those who are spending a holiday in the British Isles will have no difficulty in finding a suitable place of worship, and those who travel abroad may find that they are staying in a place where English Services are provided. In many of the popular tourist centres on the Continent there are English Churches, and details of Services can be obtained at hotels and the local tourist offices. The A.A. Foreign Tourist Guide gives some details, and the lists provided by the Bishops of Fulham and Gibraltar, who are responsible for the Anglican Church in Europe, will be found in the Church porch. We hope this information may assist you when making your plans for a holiday abroad.

The Profumo scandal has been given wide publicity and the comments of Christian leaders have made it clear that the nation is "confronted with a moral crisis rather than a political one". The Bishop of Carlisle has said, "Base corruption and deceit at the heart of the nation's life must be repudiated by action as well as by explanation. The conscience of the nation must be stirred to realise that this is but a symptom of the general moral deterioration in this country which we all share." The Bishop of Blackburn has said that the Profumo affair is "A challenge to all of us to review our own moral standards". Many of us are aware of how sadly true are the words of the Rt. Rev. T. M. Hughes:- "We live in an atmosphere which accepts moral laxity as normal, extolling it as a symbol of personal freedom. The declining standards lie in the apathy prevalent these days towards God and the things of God."

PERSONALIA

Several of our parishioners have been in hospital recently. We are glad to know that Mrs. Allen of Jubilee Cottage, is now making good progress following her sudden illness. She is spending a few weeks at St. Peter's, Woking, and hopes to be home again early in July. Mrs. Atkins, Court Farm Cottage, who has been in St. Luke's Hospital, Guildford, should be in Hambledon again by the time this magazine is distributed, and we are pleased to learn of her recovery. Mr. Fitch, The Gate Lodge, King George V Hospital, is at home again and will, we trust, soon be fully recovered. We were sorry to learn that Mrs. Maw of Pendell Cottage, was taken ill during a holiday in the South-West and hope that she will be able to return to us very shortly.

Lt. Colonel T. R. Phillips, C. M. G., D. L., who died in St. Thomas Hospital, Hydestik, on June 5th., was the son of a former Rector of Hambledon. He had, for a number of years been a Churchwarden of Busbridge Church and resided at Downterry, Godalming. Colonel Phillips always had a great affection for Hambledon, and took a keen interest in the affairs of the Village and St. Peter's

Church. For many years he was a regular subscriber to the Free Will Offering Fund. He seldom missed the Whitmonday Cricket Match on the Village Green. Last year he was delighted when, in response to his wish, he was shewn over Glebe House (formerly The Rectory, and his old home) by the present occupiers - Mr. and Mrs. J.H. Duke.

The Colonel, who was ninety-six when he died, was buried in Hambledon Churchyard. We extend to his Widow and family our sincere sympathy in their bereavement.

HAMBLEDON WOMEN'S INSTITUTE NOTES.

The monthly meeting was held on May 8th. Mrs. Chesson presided. Lady Liardet talked on the resolution to be discussed at

the Annual General Meeting to be held at the Albert Hall and members were able to discuss with greater knowledge and understanding on the way delegates should vote. Mrs. McKinnon Wood gave a vote of thanks.

Arrangements were discussed for the Old People's Party on June 17th., to be held at Mrs. McKinnon-Wood's home. An outing to a London theatre in October was discussed and Mrs. Chapman was requested to make the necessary arrangements.

A sum of £100 was raised by the Hambledon Women's Institute at a Coffee Morning at Mrs. Chapman's home and a Tea Afternoon at Mrs. Ellingson's. The proceeds were for the Freedom from Hunger Campaign.
