#### THE SEASON OF LENT.

May God enable us all with true penitence, and with full assurance of forgiveness and cleansing, to enter into the meaning and message of our Lord's atoning Passion and Death, that we may when Easter comes, enter into the joy of His Resurrection.

To assist us in our observance of Lent a programme of services has been drawn up and the details are included in this magazine. We will be having several special preachers on the Sundays, and on Friday evenings there will be a short service in Church at 8.15 p. m. with a series of Talks on "How to Enjoy the Prayer Book". These Talks are by the Rev. Harding Wood, whose Bible Study courses are well-known.

#### PERSONALIA

MRS. LOW, of "Findings", who has spent several weeks in hospital at Haslemere and Guildford, has now returned to Hambledon again. We are glad to know that she is making good progress, and we trust that she will soon be fully recovered and able to get about again.

MR. AND MRS. C. CRONHELM, of Stone Cottage, were recently involved in a serious car accident near Chichester. Mr. Cronhelm miraculously escaped injury. Mrs. Cronhelm, who was taken to hospital, has now returned home and is making a good recovery. We are glad to have them both at their home again.

MR. A. GOAD, our Verger and Sexton has been ill for several weeks, but we are glad to know that he is now making good progress and hopes to be resuming his duties shortly.

MRS. E. J. EDWARDS, of Oliver Cottage, Cricket Green, one of Hambledon's oldest residents, died at her home on February 5th. We assure her family of our sincere sympathies in their bereavement

THANKS. We are most grateful to our Magazine Distributors for their kind help in delivering the magazines and collecting subscriptions

THE CHURCH FELLOWSHIP met on February 14th., on a very snowy evening (as had been the case in January) and the attendance was adversely affected. However, some twenty members braved the weather and were rewarded by a most delightful and interesting illustrated lecture on Spain. We were very grateful to Mr. N. Jervis of Enton Hall for showing his colour transparencies and for giving us such an interesting commentary on them. The March meeting of the Fellowship will be held in the Village Hall at 8.0 p.m. on March 14th., when members and their friends will provide a "Musical Evening". We look forward to this programme with special interest.

HAMBLEDON C. of E. DAY SCHOOL.

The Managers decided to remove the old solid fuel stoves in the three classrooms at the school and instal an oil-fired central heating system. The work has recently been completed (cost approximately £875), and the whole school is now adequately heated. This new heating system, together with the modern toilet facilities and sewery provided three years ago, has brought the school premises more up-to-date.

FREE-WILL OFFERING ENVELOPES - January total - £19. 0. 0d.

VILLAGE NOTES

ANNUAL PARISH MEETING OF HAMBLEDON PARISH COUNCIL will be held on Tuesday, March 19th, at 8.0 p.m. in the Village Hall.

There will be a Discussion "RESPONSIBILITY TO THE COMMUNITY" - between Gordon Humphreys Esq., Headmaster of King Edward's School, Witley, and David Hoad Esq., of King Edward's School.
